Breathe new life into your skin

MITTS OFF

Smitten Mitten from **Veronica Watson Mineral Cosmetics** makes cleansing and removing makeup a breeze. Made from anti-bacterial and washable microfibre, the soft mitten won't scratch the surface of the skin, dry it out or upset its natural balance, making it ideal for the most sensitive types.
Contact: Veronica Watson Mineral Cosmetics (02) 9799 8332.

Suits You

1 The **Elite** lipstick collection from **NATURAL COMPATIBLES** includes flattering shades of **Peach, Petal** and **Latte, Berry, Grape, Plum** and **Autumn**. The lipsticks condition lips with vitamin E moisturiser, SPF 7+ sun protection and essential lavender oils.
Contact: Natural Compatibles (03) 9764 0966.

Hydration Heights

2 **POLA Vivoox Premium Lipstick** is available in six shades to suit all hyaluronic acid and grapeseed oil condition the lips and protect them from the elements.
Contact: Pola Cosmetics 1800 813 758.

Art n Craft

3 **ART DECO High Performance Lipstick** has a light and supple texture and provides soft and subtle lip coverage. The "mass lip" formulation helps increase the appearance of lip volume and nourishes with panthenol and vitamin E.
Contact: United Brands Australia 1300 552 924.

Take Cover

POLA Perfect Shield Liquid Foundation is a multitasking marvel designed to provide some sun protection alongside skin caring, green tea, niacinamide and vitamin E to condition the complexion.
Contact: Pola Cosmetics 1800 813 758.

Designer Label

4 **DESIGNER BRANDS Moisturising Lipsticks** are true colour, luxury lipstick formulations that go on creamy and last thanks to the hydrating vitamin E-based formula which also locks in colour. Lady in Red and Bare Suede are versatile shades designed to suit a number, skin tones.
Contact: Designer Brands 1300 765 332.
